Wednesday, February 17 at 12:30 PM
Thursday, March 25 at 12 noon

Table Talk sessions are approximately 50 minutes.

ABOUT

The table talks are about dialogue and learning on the university campus. Members of Brock's faculty are invited to share ideas related to their research and to engage in question and answers. The topics are as diverse as the faculty itself, and the atmosphere is one of openness. All are welcome to attend.
