

PlaySport Instructor Questionnaire

We'd like to find out some background information before you start the PlaySport pilot project. If you could take 5 minutes to complete the following questionnaire and send it back to us before you start the program, we would greatly appreciate it. Thanks!

1. What resources have you used for Co (extra) curricular activities in the past?
2. Which resources/programs have provided the most benefit? Why?
3. Have any of the programs incorporated the concept of Teaching Games for Understanding (TGFU)? IF so, please indicate which ones.
4. Initially what is your understanding of the purpose of the PlaySport program?
5. What do you hope to achieve through this program? Why?
